

Algoritmos/headerSort.hpp

```
graph TD; A[Algoritmos/headerSort.hpp] --> B[stdio.h]; A --> C[iostream]; A --> D[algorithm];
```

The diagram illustrates the dependencies of the file 'Algoritmos/headerSort.hpp'. It is represented as a root node in a grey box at the top. Three blue arrows point downwards from this root to three separate white boxes below it, representing the files it depends on: 'stdio.h', 'iostream', and 'algorithm'.
